## **Do You Snore?**

by Steve Higginbotham

**D**id you hear about the man who went to the doctor to see if there was a cure for his snoring? The doctor asked, "Does it bother your wife?" To which the man replied, "No, it just embarrasses her. It's the rest of the church it disturbs."

I've come to the conclusion that people have forgotten what worship is all about. It is not simply a roll call of the redeemed. It is to be a time when God's creation honors, adores, and pays homage to Him. Worship is not a time for empty ritualism, but a time for awe-inspired devotion. Remember what Jesus once said, "God is a spirit, and they that worship him must worship him in spirit and in truth."

Think about that the next time you go to worship.
