Baptism

We are pleased to announce that Rhiannon Buchanon confessed her faith in Jesus and was baptized for the remission of her sins on Sunday afternoon. We're proud of Rhiannon for her tender heart and for her desire to serve the Lord. Please keep her in your prayers as she begins her new life in Christ, and may we be a source of strength and encouragement to each other as we grow to be better disciples of Jesus.

So that you may update your pocket directory, Rhiannon's address is:

CHRIST IN Youth

David Burleson, Youth Minister

While holding the hands of the two people beside me, I had never felt so worried in my life. Somehow every feeling of security was deflated in under three hours. How can they do something that terrible to innocent people?

Five years have passed since September 11, 2001, but my love and patriotism are rekindled daily. Let us continue to pray for our nation, our troops, and our president. God bless the "land of the free and the home of the brave!"

.....
Sunday evening was great for several reasons. Not only did we have another opportunity to worship our Lord, but we had our first Pew Packers and also a youth devotional. Pew Packers is such a great opportunity for our youth (4th grade and under) to sing songs and study about the Bible. We will continue to meet together every Sunday evening at 5:30.

I enjoyed very much being with the group after services on Sunday evening. The food was great and it was so encouraging to be lead in singing and prayer by some of our young men. I would like to thank Jim and Jewel Searcy for hosting this devotional and for being an example to the youth group.

This weekend we are taking a group to RUSH at Freed-Hardeman University. The bus will be leaving the parking lot at 4:30 p.m. on Friday. If you are going on this trip you will need to bring enough money for supper on Friday night.

October is approaching quickly and so is the deadline for your chance to design a t-shirt. Here is your opportunity to create/design a t-shirt for the youth group. The last day that one can turn in a design is October 31st. So let your creative juices flow and be sure to check the youth board for more instructions.

Buried Treasure In Your Back Yard

By Steve Higginbotham

Did you ever dream as a child, of finding buried treasure in your back yard? Did you ever imagine that some pirate might have buried a chest full of gold and treasure and that it was buried in your back yard just waiting for you to find it? Ok, so maybe it's just me. I had an active imagination, but that imagination provided many hours of fun filled adventure and play for the boys in our neighborhood.

But now, suppose with me that you really knew there was indeed a treasure buried in your back yard. Suppose someone could guarantee that there was indeed a buried treasure worth millions, somewhere in your back yard. Question: What would you do, and how would you go about it?

Well, If you're anything like me, your back yard would be full of pot holes, and probably your neighbor's as well. One thing I am absolutely certain I wouldn't do is dig one hole, and if after digging that hole I didn't find the treasure, I am certain that I would quit looking. As a matter of fact, if I found that digging with a pick and shovel became too difficult, I wouldn't stop, but I would simply rent some heavier equipment to get the job done. And it

wouldn't take me years and years to get the back yard dug up. It would be a priority that I wouldn't quit on until I had unearthed my treasure.

But now, here's the point. Solomon said that we need to seek wisdom, understanding, and knowledge like we would a buried treasure. Listen to him,

"If you seek her as silver, and search for her as for hidden treasures; then you will understand the fear of the Lord, and find the knowledge of God" (Proverbs 2:4-5).

Question: Do you pursue the knowledge of God as you would a buried treasure? Are you as diligent in digging into the word of God for spiritual treasures as you would be digging in your back yard for silver and gold? Maybe we need to rethink our priorities. After all, the mother of all treasure chests would pale in comparison to the treasures that can be uncovered in the word of God.

Give it some thought!
